

# Danielle Danchetz

Gymnastics Coach

**Hometown:** Louisville, CO  
**Birthday:** May 5

**My Experience/Education Includes:** I have been coaching gymnastics at Mountain Kids for over 5 years now. I was involved with gymnastics from an early age until my senior year of high school in the CARA program. I have Bachelors of Fine Art with an Emphasis in Graphic Design, 200 hour YTT certification and work as a Graphic Designer at CoorsTek in Golden when I am not at the gym.

**I love Mountain Kids/MCDA because:** Mountain kids has a great atmosphere for children of all ages. It's a fun and a positive environment with so much energy and great coaches on our staff. Each coach has something different to bring to the table and always able to make it fun.

**In my free time I like to:** practice yoga, hike, play with my dog and spend time with my family.

**My favorite place to go is:** Crested Butte, Colorado and Ruidoso, New Mexico

**If I were an animal I would be my dog Ranger because:** he is very energetic and is always happy to see everyone and everything.
