**My Experience/Education Includes:** I was a competitive gymnast for several years as a child, which naturally rolled into teaching gymnastics. I coached all through high school and college graduating from the University of Kansas with a degree in Exercise Science and Sports Management. I have now been coaching for almost 19 years, and love every minute of it!

**I love Mountain Kids/MCDA because:** I love to see the kids I coach grow into amazing athletes and confident, beautiful, intelligent young ladies!

**In my free time I like to:** Hike with my dog Kenna!

**My favorite place to go is:** The Grand Tetons or anywhere else with amazing mountains/scenery

**If I were an animal I would be a sea otter because:** They just always seem to be having so much fun!!!
