MCDA Director

Hometown: Fort Collins, CO

Birthday: March 2

My Experience/Education Includes: I am a Colorado dance artist that has been performing, teaching and choreographing for over a decade. I graduated with my BFA in Dance from the University of Colorado in Boulder, in 2007. I have performed with several local dance companies including Impact Dance, Louder Than Words Dance Theatre, BOOM, New Breed and Wild Heart. I have presented my choreography with New Visions Dance Festival, Denver Independent Choreographers Project, and most recently for Fort Collins Children's Theatre and Boulder Jazz Dance Workshop.

I love Mountain Kids/MCDA because: Not only skill, but self-confidence, creativity, and community are priorities. I enjoy helping students learn about body awareness, enriching their creative expression, and building a lifelong love for physical activity and the arts.

My teaching philosophy is: helping students learn about body awareness, enriching their creative expression, and building a lifelong love for physical activity and the arts

In my free time I like to: Spend time with my son and husband, read, hike, cook and daydream.

My favorite place to go is: Out to breakfast

If I were an animal I would be a koala because: I'm snuggly but fierce!
