

## **We want to get to know your camper!**

We are looking forward to an amazing summer! Please complete the following questionnaire by May 1<sup>st</sup> to help us get to know your camper better.

1. Describe your campers' social life: (are they extroverted, introverted, do they make friends easily or do they need a little help?)
2. Describe what motivates your camper: (for example; my daughter is strongly motivated by a rewards system)
3. Are there any development and/or learning challenges that we should be aware of to help make our summer camp the best possible experience for your child?
4. Are there any current personal challenges or changes going on at home that might affect your camper that we should be aware of?
5. Is there anything else we should know about your camper to help make their experience at Mountain Kids Summer Camp as positive, safe, and fun as possible?

Thank you in advance for your time and feedback!
