

Chris Weber

Gymnastics Coach

Hometown: Columbus, IN

Birthday: September 4

My Experience/Education Includes: I'm the current Team coach at Mountain Kids Gymnastics in Louisville, CO. I'm a National level coach within the USAG community and have coached through level 10 in the women's program. I have been coaching since I was 14. My career has taken me and my athletes to State, Regional, and National Championships within the USAG Program. My experience across Xcel/CARA/Eagles in Colorado and the Junior Olympic program adds insight to the practicalities of formulating optional development for Colorado clubs using both competitive formats. I am recently married and reside in Federal Heights, CO. My wife and I have a baby on the way due in March 2017!

I love Mountain Kids/MCDA because: Mountain Kids and MCDA allow each child that walks through the doors to feel like they are special!

My teaching philosophy is: to create a fun, safe, and exciting environment for each individual child to grow and learn at their own pace. I believe in teaching each child more about their self-worth and esteem, while teaching kids about life lessons such as goal-setting, being healthy, time management, and being themselves, while using gymnastics as the vehicle to teach all these skills.

In my free time I like to: Spend time with my wife and friends, hike, bike, practice martial arts, travel, golf, watch movies, and work on my own nutritional company

My favorite place to go is: Seattle! The vibe and the people there are amazing, and I love when my wife and I can get away and spend some quality time together.

An interesting fact about me is: I am a huge dog lover!!!!
