

# Kristin Hawley

Preschool Gymnastics Director/  
Coach

Hometown: Delmar, NY

Birthday: February 23

**My Experience/Education Includes:** I have a BS in Biology and World Perspectives. I have 12 years working experience in Early Childhood Movement and Music Programs including Gymboree Play and Music and Music Together.

**I love Mountain Kids/MCDA because:** I get to work with amazing people and I absolutely love working with the tiniest gymnasts and their parents. The early years are so critical to a child's development and I'm so honored to get to be a part of that!

**My life philosophy is:** that we should go through life with kind hearts, open minds, and brave spirits. I try to find what's special about each person I interact with and see the best in them. That's easy to do working with sweet little ones.

**In my free time I like to:** spend time with my husband Nate, daughter Emmaline, and our 2 Boston Terrier dogs Lucky and Quincy. I like playing and exploring outside in our beautiful state or just hanging out together relaxing at home.

**My favorite place to go is:** a beautiful sandy beach (or anywhere with a good latte!)

**If I were an animal I would be a hummingbird because:** I have a lot of energy and flit around and am interested in a lot of things!
