

# Marley Kemler

Gymnastics Coach

**Hometown:** Valparaiso, IN

**Birthday:** March 31

**My Experience/Education Includes:** A lifelong love and passion for the sport of gymnastics, coupled with the skills I developed as a big sister to four creative and active children and through my career as a nanny.

**I love Mountain Kids/MCDA because:** we get to be silly, serious, strong, flexible, and adventurous while learning and growing together. Watching these beautiful sprouts blossom is the most rewarding thing!

**My gymnastics philosophy is:** a positive attitude is everything you need to succeed!

**In my free time I like to:** play the ukulele.

**My favorite place to go is:** Ben and Jerry's for a scoop of sorbet in the summertime.

**If I were an animal I would be an otter because:** I'm fast, love to goof around and act silly, and swim often.
